WSP's name is on the report as providing oversight to the review and development, which is consistent with the scope of work we have in place for their support. Attached is the cover that will be added to the report.

I had a couple of edits. There's a key sentence in the third paragraph that's not quite right. I tried to edit.

I think this could do it. I left a vm to Sarah about our conversation the other day about the Administrative Record and how all the conditional approval letters along with the redline markups to PPG directing them to incorporate the changes they stipulated to making are in the AR so I think this is sufficient....

Will,

Attached is the letter that we sent regarding revising an FS after failure by the PRP to address EPA comments.
